Shoreditch	85.2%

ROAD SAFETY

It is very important that parents/carers use the zebra crossings when bringing and collecting their children from school. This will set a good example to your child and teach them valuable road safety skills.

HEALTHY EATING FOR FAMILIES COURSE

Pooles Park Primary School – for all parents/carers
Start Date: Tuesday 18th September 1.00pm-3.30pm

- Learn more about healthy options
- Ideas to support fussy eaters
- Make a healthy eating play resource to take home
- Make a healthy snack to share with your family

To book a place please see the School Office

****CLASS NEWS****

Reception

This week we have been learning to share and take turns. We are getting to know our new routine and are settling in well.

Year 1

This week the Year 1 children have been learning about the importance of drinking water. We also had a fantastic time making Tzatziki dip on Friday for a healthy snack. Next week, please remind children to bring in P.E. kits on Tuesday. On Thursday the children should come to school dressed up as who they would like to be when they grow up, e.g. doctor, nurse, teacher, superhero – it is up to them! We are also looking forward to meeting parents on Friday 21st September for our Parent Information session.

Year 2

As part of “Healthy Eating Week”, we have been busy cooking up a storm! On Tuesday, we made Cinnamon Toast Crunch and then in Literacy we wrote the instructions on how to make them. We have been thinking about what choices we need to make every day to make sure we stay healthy. In Art, we used collage techniques to make “fruit friends”. Thank you to all the parents who attended our Open Morning today.

Year 3

What a great week we have had learning about healthy eating. In Literacy, we read “The Amazing Lunchbox” and have written a persuasive letter to get our friends to eat healthily. On Wednesday, we cooked scrambled eggs for a healthy breakfast, which we enjoyed very much!

Year 4

Year 4 have thoroughly enjoyed our “Healthy Eating Week” lessons. The children have discussed how healthy popular and unpopular foods are, and classified some of our favourite foods into categories. We have also learnt how to make delicious bread rolls in the school kitchen! In Maths, the children have really applied themselves to deepening their knowledge of place value and in Literacy, we have developed our descriptive skills to describe food.

Year 5

This week was Healthy Eating Week! We have been looking at how to stay healthy by being active! We tried new challenges in P.E. and in Maths, we have been reviewing place value. In English, we have been comparing authors (Roald Dahl and Shakespeare). The teachers have been so impressed with the creative ideas that the children have conjured up for their potion poems. Please remember to listen to your child read every day and support their times tables practise.

Year 6

We have had an exciting week staying healthy and eating healthily. We made “healthy pizzas” on Tuesday and discussed how to keep healthy. We have started our topic on World War 2 and Shoreditch class will be learning more about it next week at IntoUniversity. Please ensure that all Year 5 books set as homework over the summer are complete and books are returned to us by next Monday.

PARENT WORKSHOPS 9.10 A.M.

DATE	WHAT'S HAPPENING? WHERE?	WHO?
