HAPPY EID TO EVERYONE CELEBRATING THIS WEEKEND.

******KS1 AND KS2 SPORTS DAY******

Years 1-6 will be having their Sports Day at Finsbury Park next Friday 22nd June.

KS1 will leave school at 10.30 a.m. and have lunch at the park before coming back to school.

KS2 will leave school at 12.30 and stay until 2.30-3.00 p.m. If you want to take your child home from the park, please see your child's teacher.

The children can come to school in their P.E. kit (blue t-shirt) and wear it for the day.

All parents are welcome to join us at Finsbury Park

****CLASS NEWS****

Nursery

In Nursery this week, we enjoyed the Rainbow Fish story and making our own colourful fish, using paper plates and a range of creative resources. We learnt about the word "special" and how we are all special in lots of different ways. We have also been talking about Eid and creating cards to celebrate, as well as discussing the different things we celebrate with our friends and families.

Reception

We have continued with the "Bear Hunt" story and the children have devised their own versions! In Maths, we have been problem solving, revising "more" and "less" and attempting to count in 2's and 5's. Many children are really excited about Eid. We hope you all have a lovely time – don't forget to put some photos up on Tapestry! Also, a very Happy Father's Day to all the dads.

Year 1

Well done to all Year 1 children, who worked so hard on their reading this week. You all deserve a restful weekend! Next week, we will be starting to learn about Scientists and Inventors. Have you got anything that you are curious about and would like to find out? If so, let us know.

Year 2

Year 2 have continued with our Mr Seahorse stories this week and we have been writing our own Mrs Seahorse stories, using the other underwater animals that we know. We have learnt how to use inverted commas to write speech. Thank you to all parents who have returned consent forms for our trip to the Aquarium, if you haven't yet, please do so asap. Happy Eid to everyone celebrating this weekend.

Year 3

We have been working hard this week on planning our folktales ready to draft, edit and publish. We have continued work on statistics, creating bar charts of a range of data. Tuesdays are now P.E. days for Year 3 and swimming will continue on a Thursday. Sports Day is next Friday at Finsbury Park, everyone is welcome ☺

Year 4

This week we have been working hard learning to tell the time in Maths. In Literacy, we have been writing a diary as Lady Macbeth, and in our Science work we have been drawing food chains. In our Topic work, we have begun to learn about Ancient Egyptian Civilisations. Don't forget to continue to practise your times tables.

Year 5

This week we have been learning all about space, quizzing ourselves to see what we already know! We have also been looking at 2D representations of 3D shapes too, figuring out what shape nets fold. In English, we are now looking at Drama play scripts. Happy Eid to all those celebrating.

Year 6

Year 6 have worked exceptionally hard all week to complete their writing tasks for their final assessment. Congratulations! We will now be preparing for our School Journey, our £5 Challenge, Bikeability and our End of Year Show. It's going to be a busy few weeks, but it's going to be great fun ☺

Wednesday 20 th June	Crouch Hill
Wednesday 27 th June	Seven Sisters
Wednesday 4 th July	Caledonian Road
Wednesday 11 th July	Liverpool Street
