DEFIBRILLATOR FUND

We are absolutely delighted to announce that we have now raised enough to buy a defibrillator for the school (money raised today for non-school uniform bumped the total up to over £1000!). What a great finish to the school year! In September we will show the defibrillator to the children in Assembly. Thanks to everyone for their kind donations.

****CLASS NEWS****

Nursery

We have had a lovely last week before the holidays, celebrating all things the children have done during their time here together. They have all met their new teachers and are looking forward to the changes ahead. It has been a pleasure teaching them all in Nursery this year – they have done so well. We hope all the children have a restful and enjoyable summer.

Reception

Congratulations to you all for completing your early years at school! It has been a busy final week, talking about all the changes that are happening and looking forward to the new year. Have a great summer, you deserve it after such a successful year. Well Done!

Year 1

The Year 1 children have had a fantastic final week of school! On Tuesday, we visited the Natural History Museum to review all the Science Units that we have learnt throughout the year. It was fascinating to see how much information the children remembered about animals. Well done to all the Year 1 children on a very successful school year. We wish you all a happy and safe summer break.

Year 2

It has been a busy final week in Year 2, with lots of rehearsals for our Graduation Extravaganza. We hope you agree that they performed brilliantly and probably (most definitely) raised a few tears of pride! Well done to all the children for such a successful year. We wish everyone a happy, sunny, safe and restful summer and look forward to hearing about all the fun adventures you have had over the break.

Year 3

We have been working hard on publishing our autobiographies and completing different Maths challenges. We had a great last singing session on Tuesday, with some fabulous dancing. A great year all round, well done for all your hard work! Have a GREAT summer break and don't forget to practise your times tables and read lots of books!

Year 4

Phew, we did it! Well done Year 4 for all your amazing work this year. We have had a great week, some highlights being meeting our new teachers, the Year 6 performance and some fab dancing in Tuesday's Singing Assembly! Enjoy your summer holidays, relax and recharge, but don't forget to practise your times tables every now and then! Thank you for a lovely year.

Year 5

Year 5 have had a busy final week! We enjoyed watching the film adaptations of our class novels, writing our sci-fi setting descriptions, watching the amazing Year 6 performance and meeting our new teachers! Well done to all the children for such a successful year. Please remember to support your child with their summer holiday homework, so that they are prepared for the challenges in Year 6. Have a wonderful summer!

Year 6

We say a sad farewell to Year 6 – we are so proud of all their fantastic achievements this year. They had a great End of Year Show and everyone had a great time. Good luck to you all on your new adventures – we will miss you all very much!
