Following the incident outside of school on Thursday, please be vigilant when accompanying your children to and from school. If your child is in Year 6 and goes home by themselves, please talk to them about keeping safe on their way home from school.

SCHOOL COUNCIL

Next week children will be chosen to represent their class on the School Council. As a representative they will discuss any concerns or ideas that their fellow classmates have during School Council meetings.

Tuesday 26th September

9.00-9.20 a.m.

In Highbury & Islington Class

**“JEANS FOR GENES” MONEY RAISED TODAY –
THANK YOU!**

*****£195.78*****

*****CLASS NEWS*****

Nursery

Settling into Nursery is going well, but please be aware that children can often become upset again around this time, as they begin to realise that they will be coming to school every day! We will be serving breakfast in the nursery, beginning next week, from 9.00-9.15 a.m. Please see a member of staff if you have any questions. Please be aware if you collect your child at 12.00 it is very important that you are on time.

Reception

We read *Funny Bones* this week and have been learning about our skeletons. We have made self-portraits, using different materials. We are learning lots of new songs and really enjoy singing and dancing!

Year 1

Thank you to all the parents who came to our Information Morning on Wednesday. It was lovely to meet you all! This week we have introduced our topic, “Reach for the Stars”, by talking about what the children would like to be when they grow up. It is also wonderful to see all the children working so hard in both Literacy and Numeracy sessions.

Year 2

Thank you to all parents who attended our Parent Morning on reading. This week we have learnt the story of *Willy the Wimp* by Anthony Browne. The children explored his feelings and wrote instructions for how to be a good friend. We begun to learn about what a baby needs to survive, as part of our *Growing Up* topic. If you have not already done so, please bring back your consent form and money as soon as possible for our trip to Kidzania on 4th October.

Year 3

Thank you to all of the adults who came to our Year 3 Welcome Morning on Monday! This week we have started investigating rocks in Science and we have written a recount of our favourite holiday in Topic. Maths and Literacy are well underway now and there is lots of hard work going on in Year 3. A reminder that Year 3 P.E. day is now Wednesday, so don't forget kits to change into. Swimming will begin next Thursday 28th September.

Year 4

This week we have been learning how to plot and find coordinates on a grid. We have been using our new skills to find hidden treasure on a pirate's island! In Science we have started our electricity topic and really enjoyed making simple circuits and watching the bulbs light up! In Literacy we have begun to write our own adventure for *Odysseus*. We look forward to reading the finished stories!

Year 5

It was wonderful to have so many adults come and visit our Year 5 classes on our Open Morning. We started the week by taking some time to survey the trees in our garden – it's looking very healthy! Now that we are feeling inspired, we will be writing poems about trees for homework. It is also time to start thinking about School Council, please talk about this with your child at home.

Year 6

It has been another great week in Year 6 and the children have been working hard, particularly in Maths and English. Some lucky Year 6 children had a fantastic opportunity this week and attended an Opera Workshop and saw a performance of “*The Magic Flute*” at the Royal Opera House. It was a fantastic performance and the children who attended enjoyed their unique and special experience. Thank you to all parents who attended the Open Morning on Thursday. Reminder to parents and children that homework for the week is set on Thursdays. Please support your child in completing it and ensure that they have their homework books every Thursday.
