### HOLIDAYS DURING TERM TIME

Parents/Carers are advised that they should not take their child out of school to go on holiday during the school term. As a result, your child would miss out on important school work and may not be able to catch up. This could have serious consequences on progress, attainment and opportunities later in life. Please note that you are liable for a penalty fine from the local authority if you take your child on holiday during the school term.

### MEDICINE

It is extremely important that any medicines that your child needs on a regular basis be brought into the school office, is in date and clearly marked with your child's name.
