DATA DATA INFORMATION DATA

This week your child will have brought home our Data Check Sheet for you to complete. Please ensure the school has up to date contact and emergency information for your child/children. All parents must now provide at least 2 emergency contact telephone numbers to the school. If you have any questions please ask the school office. Thank you.

HAMPER RAFFLES

Tickets will be on sale from Monday for our Hamper Raffles – 50p a ticket or £2.00 for a strip of 5.

Nursery

This week in nursery the children have been learning how to identify and copy sounds that they hear around them. This will help them to learn how to read – as they need to know all the sounds that letters make in words. We have really enjoyed reading “Stickman” and have used sticks (and other natural objects) to help with counting. The children are getting very excited about our end of term concert. Please join us on Monday 17th December at 2.45 p.m.

Reception

This week we have practised our Christmas show and the children are doing very well learning their songs! We read “Whatever Next” and thought about what we would take to the moon if we flew there in a rocket. Next week we have a gardening session with Sophia, so please come along on Thursday at 9.00 a.m.

Year 1

The Year 1 children had a fantastic trip to the National History Museum today. We had fun exploring and looking at all the animal groups that we have been learning about. Well done to all the Year 1 children for their exceptional behaviour and thank you to all the parents who volunteered on the trip.

Year 2

This week the children have astounded us with their amazing singing voices and ability to quickly learn their lines for their winter show. Please continue to practise these with your children over the weekend. We have been learning how to take 2 digit numbers in Maths which the children have been really successful with. Don't forget it's Parents' Evening next week and our performance is on Tuesday 18th December at 2.00 p.m. We are looking forward to seeing you then!

Year 3

Year 3 have been finishing our Literacy topic by writing a set of instructions on making a bottle band. We have also been busy practising our Christmas play. Please remember to try and bring in a small gift on Monday for the Festive Hamper.

Year 4

This week the children have been working hard practising for our festive show, which will take place on Wednesday 19th December. Thank you to all the parents who helped the children learn their lines. In Maths, we have been continuing our work on times tables and in Literacy we have been writing a sensationalist newspaper report. In P.E. the children have been showing off their hockey skills by playing full hockey matches.

Year 5

Year 5 have been continuing their study of area and perimeter in Maths. Stratford class have some marvellous work on poetry in English and Liverpool Street produced a fantastic reprise of Macbeth for their assembly. Please can we remind you to read with your children as often as possible.

Year 6

This week Year 6 have been doing some practise tests to prepare them for their SATs in May. We have also been preparing for our assembly, which is on Wednesday at 9.10 a.m. – please join us if you can – we will be presenting our writing about World War 2. We have also begun rehearsing for our Christmas concert, which is on Thursday 20th December at 2.45 p.m. Just a reminder that next week is Parents' Evening and we have sent appointment slips home with the children.

Hello Pooles Park Parents!

Please come to a Parent Coffee Morning
Wednesday 12th December at 9.00 a.m
- ALL WELCOME -

Come and find out about friendly FREE support & courses offered by THE PARENT HOUSE:

- Preparing to Work with Children in Schools
- Mentoring and volunteering
- ESOL
- and employment advice

In need of support?

Caring for a family isn't easy. There are so many things to think about.....and no time for me!

'I want a job, but I have no qualifications', 'what about childcare', 'what about my benefits' 'I don't know where to start?'

Sometimes it helps to have someone to talk to, to help you think about options and support you to find the right path for you.
